ABOUT ME

Motivated and detail-oriented Food & Beverage professional with hands-on experience delivering high-quality guest service in fast-paced hospitality environments. Skilled in table-side service, order accuracy, and maintaining hygiene and safety standards, with a calm, composed approach to handling pressure and resolving guest concerns. A strong team player known for reliability, flexibility, and clear communication, combined with solid organizational and digital skills (Microsoft Office, Google Workspace) that support smooth day-to-day operations. With a BSc (Hons) in Computer Science, bringing an analytical mindset and strong problem-solving skills to guest-facing roles.

EDUCATION AND TRAINING

Bachelor of Science (BSc) in Computer Science - Second Class Upper Honours

University of Wolverhampton (STC Higher Education)

City: Pemebroke | Country: Malta | Level in EQF: EQF level 6

Information and Communication Technologies
